Megaplex XV - British Invasion

Sorry, the Wayback Machine does not have this video (ILfrAlavOLw) archived/indexed.

Megaplex, Florida's furry arts and entertainment convention, has brought interactive fun and performances to the state since 2002. This year we will be celebrating our 15th Anniversary. What does this mean you may ask? Well for starters we will be offering all attendees who stay at the host hotel free breakfast every morning AND a free social hour each evening from 5-7pm.

Our amazing guests of honor this year will be none other than the ever cute and cuddly fursuiter [CosmicWuffy](#) and an artist I am sure needs no introduction, the awesome [Kenket](#). And as always, there will be legions of panels, games, special events and musical performances.

This year's theme is "British Invasion." Do you love Doctor Who, the Beatles, and Sherlock? Do you ever have a craving for some bubble and squeak or a nice plate of bangers and mash? If so join us in Orlando for some Furry Fun in the Florida Sun!

Go see how much fun we had in 2015 and previous years at the [Megaplex Archives](#)! Check out the external links in the top of this page to follow us on

your social network of choice.
