Megaplex 2006 is very proud to welcome **illustrator and animator [BRIAN REYNOLDS](#)** as our **GUEST OF HONOR** this year!

Brian's talented work is brought to life in his

vibrant style, whose Work was showcased by [Sofawolf Press in 2004](#) (along with that of his wife, Tracy). A graduate of the Savannah College of Art and Design, he works primarily in the videogame industry. This doesn't stop him from sharing his art with his fans, most recently as a regular contributor to the [Funday Pawpet Show](#).

To see more of Brian's work, please visit [toonfox.com](http://toonfox.com), or his Live Journal, [mistahbojangles](http://mistahbojangles).

**If you'll be in the Orlando area on Saturday, February 25, come join us for a planning meeting!**

**We'll be returning to the Sheraton for this one. Additional live meetings will be held over the next couple of months as we get closer to the con; watch for further updates!**

**If you're not in the area, come chat with us! We use the same IRC server as the Funday Pawpet Show does - [irc.pawpet.org](irc://irc.pawpet.org) 6667. *We'll be in the #megaplex channel during the Pawpet Show each week until the con*, to answer any questions you may have. Feel free to pop in!**

**Experience...the THRILLS!...the FUN!...the FUR!**

**Megaplex 2006...the HORROR! It's coming...**

**The fifth-Anniversary Edition of Florida's furry arts and performance convention will be held on March 17-19, 2006. We will be returning to the beautiful Sheraton World Resort in sunny Orlando, Florida.**

**This year, we're saluting classic B-movies, especially the great horror flicks that came about during that time. Some of those films were shot right here in Florida.**

**New Programming announcement for 2006!**

**Megaplex is proud to bring back a tradition from previous years - the Saturday night concert, this year featuring 4:2:FIVE! Based in Orlando, FL, 4:2:Five has been shattering the a cappella stereotype since 2000 with their powerful performances across the U.S. Evolving from a street corner barbershop sound, and drawing on funk, rock, jazz, and blues - 4:2:Five is unlike any musical experience on Earth, recreating an entire instrumental band with nothing but 5 mics and 5 voices with a style and charisma all their own. For more info, check out [42five.com](http://42five.com).**

**We've got your old favorites, and new events planned as well.**

***2 the Ranting Gryphon* makes his return to Megaplex after a year away, and *Uncle Kage* brings his "*Uncle Kage's Story Hour*" back for another engagement as well!**

***The Variety Show* is back, with the *Return of the Gong Show* - what snack food will get dumped on Poink this year (and will we be able to get it out of the carpet afterwards)? Plus, multiple fursuit games, including fursuit mini-golf, will be planned throughout the weekend. And that's just a taste of what's to come at Megaplex 2006!**

### **Dealer's announcement for 2006!**

**Our members have been asking for it, so this year, we'll have a more traditional Dealer's Room at Megaplex. Table reservations can be made when you register for the convention. Full tables are only \$40 apiece (limit two). First come, first served.**

**Contact [mp-ceo@pawpet.org](mailto:mp-ceo@pawpet.org) with any questions.**

### **Have a cool shirt design?**

**Show folks where you spent your spring break with a snazzy Megaplex 2006 t-shirt! Shirts are \$12, and available in Small through XXL. Order your shirt when you pre-reg to guarantee you'll get one. We're pretty much making them to order this year, and may not have many extra to sell at the convention (the price may go up at the convention).**

**[The Megaplex Events section is now updated.](#) Please check it out.**
